In the first round match of Harris-Black on board 10 Harris made a very good take out bid of 5C which seemed to be heading to -1 (and wasn't found on the other tables). David Gold made an excellent play by overtaking his partners sK lead and onderleading his ace of diamond to create -2. The play apparently did unsettle the leader as she even went down 3, but that was totally unnessesary.

Excellent defence, I didn't see it coming as spectator, I thought he was going to cash his ace and continue for a ruff that would not add anything to the score. This was much, much better.
