Nominator's comments:

Kruse said

I played this 3ut on small values in round 4.

I think it a interesting board because both opps had a long suit they could rise, but I knew, that the the heart hand couldn't have Ace of Diamond, (else he could just continue hearts), so I could via the diamond suit decide which hand I would put in to help me to the [9.th](#) trick.

The screenshot shows a Bridge Base hand viewer interface. The hand is displayed in a 2x2 grid format. The top-left quadrant shows the North hand (Longrow) with cards: ♠ K83, ♥ 654, ♦ A85, ♣ K1084. The top-right quadrant shows the bidding sequence: West (CopeyJ) bids 3♠, North (Longrow) passes (P), East (pitiful) passes (P), South (nyg) passes (P), and West (CopeyJ) passes (P). The bottom-left quadrant shows the West hand (CopeyJ) with cards: ♠ AQJ10952, ♥ 82, ♦ K6, ♣ 96. The bottom-right quadrant shows the East hand (pitiful) with cards: ♠ 74, ♥ KQJ103, ♦ J3, ♣ QJ72. The South hand (nyg) is shown with cards: ♠ 6, ♥ A97, ♦ Q109742, ♣ A53. The bidding sequence is summarized as 3NT N, NS: 0 EW: 0. The interface includes a search bar at the top, a navigation bar with 'Rewind', 'Previous', 'Next', 'Options', 'GIB', and 'Play' buttons, and a Windows taskbar at the bottom.
