## **6. Format**

Before the tournament there is a draw in the groups. The groups are composed in such a way that there are no teams from the same Federation in the group.

Round robin comprises the 12-boards matches against each team in the group. The scoring is by IMPs converted to VPs, according to the WBF scale. Two top teams from each group qualify to the play-offs, the remaining teams play consolation tournament.

1<sup>st</sup> team of Group A plays semi-final against 2<sup>nd</sup> team of Group B and 2<sup>nd</sup> team in Group A plays semi-final against 1<sup>st</sup> team in Group B. Semi-finals and Finals are played as the 36-boards matches with changing seats after every 12 boards. In the semi-finals, carry-over makes 0,1 IMP in favor of the teams finished 1<sup>st</sup> in their groups. There is no carry over in Finals. If there is a draw after 36 boards in the Final, then both teams are the winners.

The Consolation is the full round robin, 12 boards in a match. Every team has a carryover from the group stage against other teams from the same group.

The teams in Round Robin and Consolation are placed according to the VPs. If two or more teams have equal VPs, then issue will be settled with following tiebreakers:

- 1) Head-to-head match by IMPs (the team with bigger amount of IMPs is placed higher);
- 2) Total IMPs (+/-);
- 3) Draw.
